Seniors Celebrate Class Party

The Senior Class Party was held on Friday, September 28, in the cafeteria as well as the gym. The band "Fresh", as most who attended agreed, was a success, especially because they played everyone's requests.

One of the highlights of the night's festivities was the presence of the kissing booth. Kisses were sold for fifty cents each, which made the customers come back for more and more . . .

Everyone concurred that this Senior Class Party was one of the best of this Kenwood tradition. Once again, this Class of 1985 proved it can be a trendsetter for those who follow. The Senior Class recovered its expenses because this dance was so well-attended.

The Sadie Hawkins Dance — 1984

The annual Sadie Hawkins Dance was held on Saturday, October 6, 1984. Once again it was time to break out the flannel shirts and straw hats. Gals danced the night away with their favorite guys. The music of "Special Delivery" filled the cafeteria decorated with blue and white streamers. Straw and hay strewn across the floor really set the country scene. The gals got the chance to "tie the knot" with their dates before a preacher in the chapel at Kenwood. After the wedding, portraits could be taken as a souvenir of the annual event. The highlight was the crowning of Bill Cox as King of Dogpatch. Runners up were Brian Miller, Randy Pope, and Rob Fox.

P. 18: Rick Strassner, Teresa Fringer, Gene Muranko, and Denise Zeberlein are enjoying their night at the dance. 2. Melody Chavis and Duke Taylor cuddle up together for a quick snapshot. 3. Stephanie Digorgio and Lisa Morlock boogie the night away. 4. Bill Cox flashes a smile after being crowned King of Dogpatch. 5. Lisa Vanhoy, Angie Korinth and Dawn Cole serve sodas at the dance. 6. A group of girls share a laugh together!

P. 19: 1. King of Dogpatch: Bill Cox; first runner up, Brian Miller; second runner up, Randy Pope; third runner up, Rob Fox. 2. Jeff Hoffman, Terri Foehrkolb, Tina Marsiglia and Jeff Hemming display what a great time they're having together. 3. Dawn Knopp and date enjoy a quiet spot alone. 4. Reverend Rodney Adkins and Quenby Gibula take a break from their duties.

Juniors Pack Them In At Class Party

1

What a night! On October 18, 1984, in the cafeteria and gym of K.H.S., the class of 1986 held their Junior class party. The music was provided by a disc jockey from WMAR 105 FM. There was volleyball and basketball offered in the gym, as well as dancing in the cafeteria. Along with the dancing there were contests with prizes such as T-shirts and albums. One of the highlights of the evening was the Breakdancing contest with winner Bobby Jenkins. Thanks to the attendants, the party was a smash.

HOMECOMING 1984

On October 12, 1984, Kenwood held their annual Homecoming. It began with a pep rally where cheerleaders cheered, teams were announced, homecoming finalists were introduced, and pigs were kissed. Afterwards was the football game in which Kenwood BEAT Dundalk 7-6. Finally, the Homecoming dance was enjoyed by everyone. The Homecoming Queen and court were chosen and crowned. The 1984 Homecoming Queen was Aleta Bruno, and the runners up were Linda Wienecke, Beth Miller, Lisa Howell, and Tammy Schwartztrauber.

Sophomores Rock The Night Away

1

The Sophomore class party was held on November 1, 1984, in the cafeteria and gym of K.H.S. The main event of the evening was dancing to the sounds of 98-ROCK disc jockey — Sarah Fletcher. Other happenings of the evening consisted of an air guitar contest with winner Tom Kowalevich, and a dancing contest with winner Harry Kowalevich. For non-dancers, there were games in the gym. Overall, everyone seemed to have a great time.

LOCKERS

Lockers are the CRAZE! They're useful — they're colorful — they're exhilarating. Decorated lockers brighten the hallways and are interesting to passerbys. Each locker is unique and expresses the varied personal-

ities of each owner. A decorated locker can show the creative ability of the person and can also serve as a scrapbook of the summer. The types of variation in decorating range from rock groups, personal pictures, and care bears to letters, mirrors, famous personalities, and on and on. Here are just a few samples of decorated lockers which prove that the students at Kenwood have a sense of creativity and uniqueness all of their own.

Freshmen Frolic At Folly

This year the freshmen decided to combine their class party with a Christmas party in which the whole school could attend. They and their guests were entertained by the Hit Makers INC., a disc jockey who played popular music for all to hear. For those who didn't care to dance, there was basketball and ping pong featured in the gym. Thanks go out to all who attended for making the party a big success.

The Kenwood Family

The Kenwood Family. We've heard that label used quite a bit, but what does it mean? It means Kenwood High School is unified. We are all working towards the same goal: success. The administrators, faculty, staff, and students who live in this "home" continue to nurture each other with wisdom, instruction, aid, and never-ending questions. These pages are a collage of the different members who make up our family — one of the finest families in Baltimore County: The Kenwood Family.

SENIORS SPEAKOUT

What will I miss most about my years at Kenwood?

The past three years that I have attended Kenwood High School, I have met many different types of people, many of which I have grown very close to. It will hurt leaving them knowing we will all go our own separate ways. Even though I will have the memories, I will miss that warm feeling of friendship each day at school. Your high school years go by so quickly, that they are over before you know it. I will miss the teachers that have given me the knowledge that I have attained. Most of all I will miss the triumphs and tragedies that I have conquered with my friends. Thanks Class of 1985.

Loma Lee Hancock

What will I miss most about my years at Kenwood?

I will miss seeing my friends everyday and some of the teachers that I have really grown to like through the years. I will miss the teachers that have taught me very much and have become friends to me. Also being able to ask advice of or just to talk to friends and teachers. I will also miss the school activities that have benefited Kenwood, or were just held for a good time. Good luck to all.

Dawn Knopp

What will you miss about your years at Kenwood?

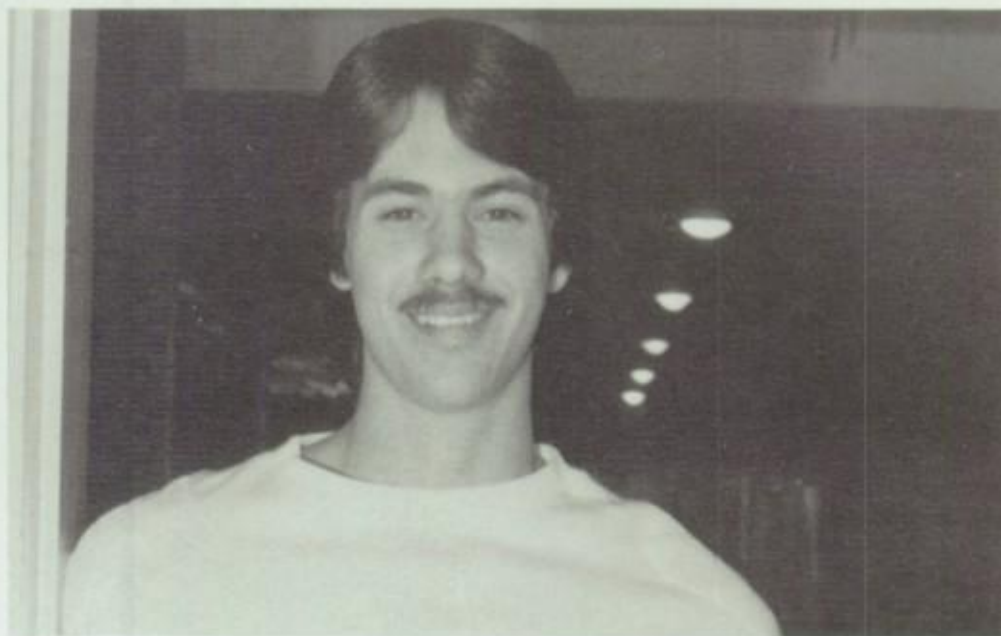

I'll probably always remember all the people I have met and all the friendships I have formed. Being involved in sports and other activities introduced me to a number of different people, each with special and unique abilities. Also I will remember the teachers who were always willing to help you with your problems either academically or otherwise. When I graduate, I will miss the fun times and the laughter, but I will always remember that I have my memories.

Wendy Sieglein

I will miss being in sports. I have been involved in sports throughout my four years at K.H.S. The coaches and teachers are terrific. They have made the practices fun while at the same time taught me skills I need to become a better player. I will also miss all of my friends. Once we graduate, everyone will be going his own way. As the saying goes, "Make the best of your high school years because they are the best times of your life."

Lisa Harrington

If I could change one thing at Kenwood it would be the dress code. I feel that a person should be able to wear whatever he/she wants to wear as long as he/she doesn't over do it. In the summer a person should be able to wear summer clothes, but because of the dress code we can't. They say it makes the school look bad. I think it should depend on the person because they are the ones who have to be in school.

Junior Whitacre

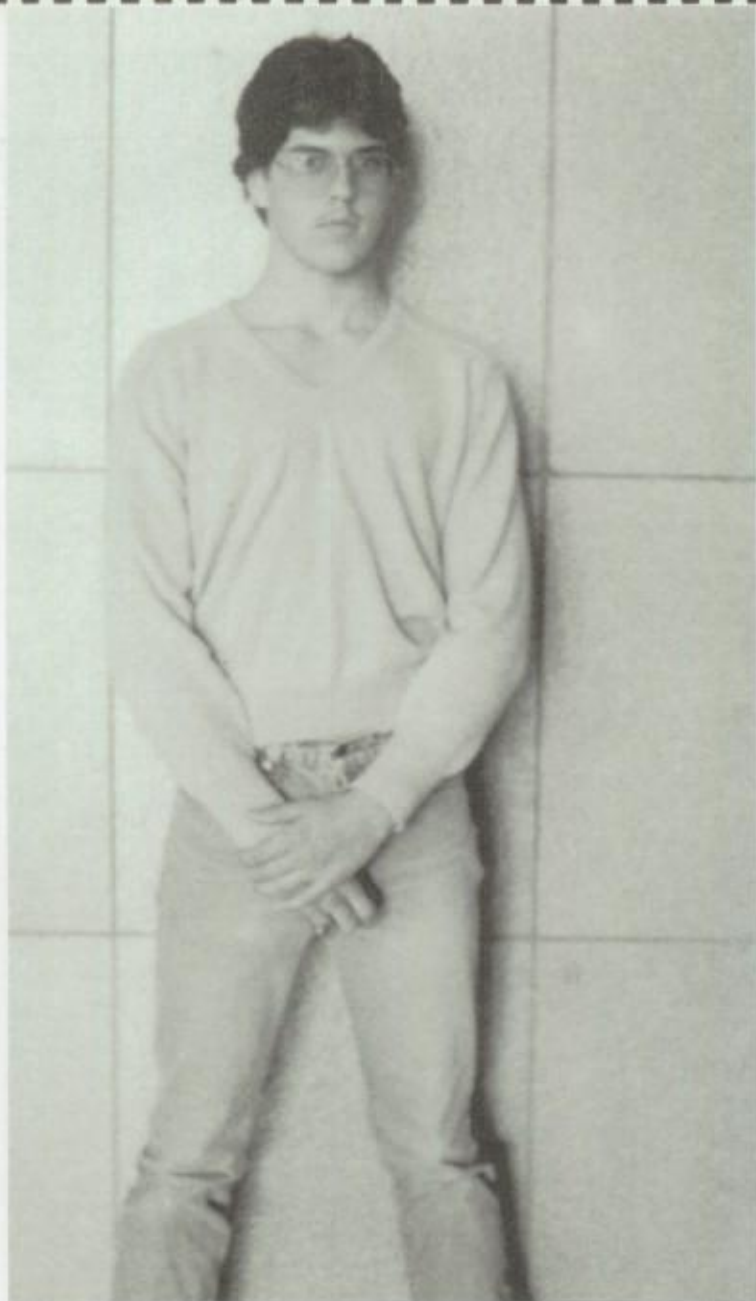

What will I miss most about my years at K.H.S.? I will miss all the friends that I have made here. When school is over, we will all go our separate ways. Through all the years at Kenwood it was always a group of us who would meet after class. We helped each other with problems in class. I will also miss the girls in the school.

Rich Strassner

If I could change one thing about Kenwood it would be the prohibiting of wearing shorts to school. I think it is unfair that we students are expected to sit through seven classes of hot weather in pants. By the end of the school year when it is extremely hot, we are expected to take our final exams and do our best. It just isn't possible to do our best while we are almost passing out at our desks. Since Kenwood isn't fortunate enough to have air-conditioning, I think that there should be some way to compensate for it.

Debbie Jackson

Why do I feel that Kenwood has prepared me for my future?

Kenwood has prepared me for my future by having an excellent teaching staff and also an understanding guidance department. Through the advice from my counselor, Mr. Long, my future college plans are already outlined. I have also learned to deal with different types of people and personalities. This will be a great value when I enter the job market. I feel that through these combined efforts I will have a full and rewarding future.

Joe Wienecke

How do I feel Kenwood has prepared me for my future?

I feel that Kenwood has prepared me for my future in many ways. The teaching staff at Kenwood is one which is well-educated and trained to teach, especially the teaching of upper level courses which requires teachers to take refresher courses in order to teach classes on a pre-college level. I thank the teaching staff of Kenwood for giving me the gift of knowledge which will allow me to succeed in the future.

Harvey Bair

What advice would I give to incoming Freshmen?

I would advise incoming freshmen to have the best time that they could. Within the school rules that is. Remember, these are the best years of your life, so you better take advantage of it before it is over. Also, don't forget about keeping your grades up; it can reflect your future for the rest of your life.

Vickie Coulson

How do I feel Kenwood has prepared me for my future?

On entering Kenwood, I had visions of tyrannic wardens locking their students up in little cells, but that was in 1981. After four years, full of triumphs and tragedies, I can truly say tha K.H.S. has prepared me for my future years in college. The teachers have put my knowledge in motion, which I'll increase for the rest of my life. Thanks to a certain teacher, Mrs. R., I will never say, "me and Sandy," again!

Ken Krach

SENIORS SPEAKOUT

If I could change one thing about Kenwood, it would have to be attitudes of the students towards other students. When we see someone that is less fortunate than we, then they are speds or nerds. When we see someone that is more fortunate than we, they are stuck-up or conceited. We constantly judge other students by what we see or hear, without even knowing the person. When something like that happens, we won't take the time to become friends with them because we've already judged them.

Dawn Bosse

How do I feel Kenwood has prepared me for my future?

If I had to limit it to just one way of which the halls of Kenwood High have taught me a lesson on how to live my future, it would be that I have learned to get involved. To live life and enjoy it, you have to get involved. Don't sit back and let life pass you by; be a part of it. Remember, these are the best days of our lives.

Joe Hauf

What advice I would give to incoming Freshmen? I would advise the incoming Freshmen to get involved with as much as they can. There are many sports, clubs and other organizations to choose from. Involvement in school activities makes coming to school and being there more enjoyable. Many students and teachers became better friends from working together. I feel that I have gained much from being involved in school activities.

Terri Foehrkolb

Spirit — Kenwood's Got It!

Spirit Week took place October 8-12, 1984. During this week, Ribbon Day, Button Day, Sport T-shirt Day, Hat Day, and Blue and White Day gave the Kenwood student body the opportunity to show their spirit. The cheerleaders collected money from each class to provide for the needy. By donating the most money, the Senior Class earned the greatest amount of points to be declared the most spirited class at Kenwood.

ASSOCIATION OF KENWOOD THEATRE

"The Sound of Music"

The Kenwood High School Music Department presented "The Sound of Music" on Friday, November 16 and Saturday, November 17, 1984. The production was designed and directed by Mr. John Sichina, and was coordinated by Ms. Kitty Schwartz. The music was directed by Mr. Richard Aiken with assistance from Ms. Barbara Bambrick. The orchestra was conducted by Mr. Bruce Kovacs.

"The Sound of Music" is the Rodgers and Hammerstein legendary classic of all time. When a young postulant, Maria (Michele Carbone), proves too high-spirited for the nuns and the Mother Abbess (Sue McNeal) of an Austrian abbey, she is sent away to become the governess of the seven children of a widowed naval officer, whom she is to call 'Captain' von Trapp (Rodney Atkins).

Her growing rapport with the youngsters, especially in this musical, her romance and eventual marriage with the stern Captain and their thrilling escape from the Nazis when he's ordered to serve in the German navy, make this musical a universally acknowledged great. Interwoven into the main plot is the story of the romance between Rolf (John Weaver), the messenger, and Liesl (Diane Greene), the Captain's oldest daughter. The Captain's friends, Max (Oliver Beaghan) and Elsa (Helen Kaminski) aid him in the struggle against the Germans.

The rich and varied score includes such winning musical favorites as: "The Sound of Music", "My Favorite Things", "Do Re Mi", "You are Sixteen", "So Long, Farewell", "Climb Every Mountain", and "Edelweiss".

V. Football Reaches New Heights

The Varsity Football team ended this year's season with four wins and six losses. This was a major improvement from last year's season. Although Coach Geis believes that everyone played well this season, he feels his major contributors were Steve Sibiski, Tim McCoy, Randy Hicks and Rob Poletynski. With the same kind of enthusiasm and determination that was displayed this year, next year's team should be closer to taking Kenwood all the way to the top of the division.

J.V. Football Fights Fearlessly

Kenwood's J.V. Football Team consisted of a group of hard-working guys who wanted to improve the image of the past Kenwood J.V. Football teams. This year the Bluebirds went fearlessly in battle and finished by tying the previous year's record. They worked hard and were successful in scoring more touchdowns than the previous year, but they still couldn't defeat their formidable opponents. Coach Ruzyllo is confident that next year's season should prove to be a winning one for his team.

J.V. Field Hockey Excited About Season

The J.V. Field Hockey team participated in a spirited season. Although the girls played with undying enthusiasm and determination, the team ended with a losing season. The captains of the team and holders of four varsity letters in the sport are Jayde Matheny and Diane Nocar. Although the team was small this year, there were many individual achievements such as three girls qualifying for the State Championships. It doesn't matter whether one looks through the pages of his yearbook to identify a faculty member, a winning sports team, a friend from the underclass, a particular service group, or a

special senior — the Kenwood Family is a unified whole, just as hundreds of pieces comprise one puzzle. It is a tribute to each and every member of the Kenwood Family that this *BLUEBOOK* has

KENWOOD GOT IT TOGETHER!!!

Miss soon to be Mrs. Tarlow,
 I've enjoyed this class but even more I've loved having you as my teacher. You made me learn because it was fun. I was glad when I came to class to see a young teacher who knows what's going on instead of an old fogey who hasn't been around a kid since the 1920's.
 Hope you have a great summer + fun with your new hubby.
 Love,
 Lyndi

Mrs. Ritter,

You're a great lady! You have a terrific personality and you're a very special teacher to me. I've learned a great deal in your class along with having a lot of fun. Good luck with Frog, he seems to be a great man. I'm sure you will both make a wonderful couple. I'm sorry to hear you're leaving Kenwood, but then it may be for the better. Have a terrific life and keep your head high. I will always remember you. I hope to see you at the reunion with a little baby!

miss Ritter,

I really enjoyed your class, and friendship this year. All those bulletin boards!! (God!) but I enjoyed doing them for you. Kenwood is losing a great ERP teacher, and advisor please drop me a line telling me where you will be teaching next year. I hope your marriage is one made in heaven you deserve it. I think I will miss you the most, you befriended me when I needed one. ERP was a most enjoyable learning experience I will know just how to raise my child when I have one, and I want a picture of your baby when he/she comes along. I hope your wedding goes well (better get going with the planning.)

There isn't many people who get the chance to meet a beautiful teacher being in E.P.A. such as you. I am grateful to be on of those to have that opportunity. Your help with the Senior Class has been greatly appreciated. I like to wish you the best of luck in your soon to be marriage and your teaching career.
